Dupchanchia, Bogura

Mobile: (+88) 01538330085

Email: ragibulfat@gmail.com

EDUCATION

American International University, Bangladesh

BSc. Computer Science and Engineering

CGPA: 3.24 (Expected Graduation August 2027)

Bogura Government college, Bogura

Higher Secondary School Certificate, 2023

GPA: 5.00

EXPERIENCE/PROJECTS

Book Shop Management System | Java, MySQL

- I developed a Java-based Book Shop Management System with a user-friendly interface and MySQL database integration. It manages inventory, customer records, and sales with features for adding, updating, searching, and billing. The system follows OOP principles for clean structure and scalability.

TECHNICAL SKILLS

- C++ and Java programming with strong understanding of OOP principles.
- Proficient in Data Structures & Algorithms and problem-solving techniques.
- Experience in Database Management (MySQL), SQL queries, schema design, normalization.
- Familiar with development tools such as Git, VS Code, IntelliJ IDEA.
- Other: Linux (Ubuntu), Mac OS, Windows OS

LANGUAGES

Bangla: Native

English: Professional working proficiency

AWARDS & CERTIFICATION

- Activities : Seminar and workshop on The Advancement of Physics Research for Engineering Students
